**Charlotte Vardy** combines teaching Religious Studies across the age and ability range in an outstanding Church School with her work in planning our events and creating our resources. With 20 years' experience in schools, including in Senior and Middle Leadership, she has worked as an educational consultant and teacher-trainer since 2007, for organisations including examination boards. She has a Masters' Degree with distinction in Philosophy from the University of London, attended the Universities of Oxford (MA Theology) and Cambridge (PGCE Secondary RS), and has written four books for students of A Level Religious Studies.

**Get a head-start with your exam-preparation by attending our unique revision webinar-series, specially designed for Year 13 students preparing for A Level Religious Studies examinations in June 2022, but also useful for Year 12 students preparing for end-of-year exams and looking ahead to mocks.**

Concentrating on important topics and scholars common to ALL FOUR ENGLISH EXAMINATION BOARDS (Philosophy of Religion, Religious Ethics papers) the five "Revise A Level Religious Studies" webinars run LIVE each Thursday afternoon from 4-5.30pm.

As befits revision, our webinars blend pacy overviews of the specified content with plenty of interactive quizzes and activities, helping students to retrieve knowledge and consolidate understanding, beginning to make synoptic links across the whole course. The webinars will also help students develop their confidence and support effective study-skills - all the more important when GCSEs were cancelled!

1. Thursday 28<sup>th</sup> April - Arguments for God
2. Thursday 5<sup>th</sup> May - Religious Experience & the Concept of God
3. Thursday 12<sup>th</sup> May - Christian Ethics (includes Natural Law, Situation Ethics, Conscience & Christian Moral Principles)
4. Thursday 19<sup>th</sup> May - Kant & Utilitarianism
5. Thursday 26<sup>th</sup> May - Applied Ethics & Exam Skills

Candle ran similar revision webinar series for A Level Religious Studies very successfully in 2016, 2017, 2018 and 2019; departments across England and further afield enjoyed hosting the weekly sessions (often with pizza or cake) and we loved the photos posted on Twitter #ReviseALevelRS. However, as students access the webinars, quizzes and activities individually, they can still participate if forced to isolate.

In the unlikely event that A Level exams are cancelled we will, of course, offer a refund.

"The webinars were great value and really thought-provoking. I think my Year 12 girls will hope there are some next year too!"  
MS, St John's School, Cyprus

"Thank you again for organising the webinars – they are so useful!"  
KO, Heathfield School, Ascot
